Re: *AstraZeneca AB, et al. v. Dr. Reddy's Laboratories, Ltd., et al.*,  
07-civ-6790 (CM)(FM)

Dear Judge McMahon:

As counsel for Plaintiffs AstraZeneca AB, et al., we respectfully submit herewith *AstraZeneca's Motion To File Under Seal Explanation Of Infringement Discovery And Attached Exhibits* and a proposed order. AstraZeneca respectfully requests that this motion be granted because Defendants assert the Explanation and attached exhibits contain confidential DRL information. If the court grants the motion, AstraZeneca will promptly file the Explanation and attached exhibits under seal.

Also enclosed for the court's consideration is *Plaintiff AstraZeneca's Explanation Of Infringement Discovery* with exhibits. The Explanation details what limited discovery AstraZeneca seeks from DRL at this time and provides reasons for each request. Exhibits to the Explanation include a set of six document requests, a second set of two interrogatories, and a Rule 30(b)(6) notice of deposition with eight categories.
